## Tips for Choosing Home Care

1. Make sure the agency is licensed by the Texas Dept. of Health & Human Services. The agency should be able to quote you their hourly rates BEFORE coming to your home.
2. Ask if the agency has a registration, trip fee or minimum hours.
3. Ask if rates increase on nights or weekends.
4. Ask for the credentials and experience of their administrator.
5. Ask if caregivers can provide weight bearing personal care.
